

# Split in the Americas

# George Washington crossing the Delaware

- Conjoined aspects of submissive and leadership
- Highlights that the greatest of men are also held up by the most common people
- Highlights patriotism and the ideas of the revolution as a joining towards the revolution and the freedom

# Bois Caiman

- Has a large amount of voodoo and animus hints
- This preparation is a ritual, based on the social and cultural aspects of the revolution
- Highlights the people of the revolution and their culture, not of their ideals
